

These new restrictions will affect the pool and atrium, and we are abiding by the new restrictions. We are going to revert back to having guests sign up for 1-hour slots and dividing the pool into three lanes. Guests will be assigned lanes and chairs when they reserve a time slot. We will do the same for the fitness room, but the restriction will be 1 person or 2 family members. We will close the hot tub, sauna dressing rooms back down. These restrictions will take effect at 12:01 am on Monday.

Taking effect at the same time, all Virginians must wear a mask inside any building at all times and outside unless over 6 feet away from anyone else. This will be even greater enforced by the VHD and ABC authorities. All bars are shut down and restaurants must stop serving liquor at 10 pm. There is now a 12-midnight curfew.
